JESUS FILM PROJECT COMPLETED: WALKING WITH JESUS IN KUSAAL

GILLBT TAMALE STUDIO TEAM COMPLETES DUBBING OF WALKING WITH JESUS IN KUSAAL LANGUAGE IN NORTHERN GHANA

Good News Productions, Intl., from Joplin, Missouri, allowed Isaac, one of their experienced technicians from Nairobi, Kenya, to spend a week with our guys in the studio helping learn many things as well as discovering improvements that need to be done with sound proofing and purchasing of additional needed equipment. It was a very timely visit and will help us achieve our goal of producing quality audio/video recordings to be used to share the gospel in the Northern Region of Ghana. This issue of the e-news shows several pictures of that and miscellaneous photos take this last month.

Also Anne and Joel from Jesus Film in the USA were with us for the Kusaal Walking With Jesus. Joel helped with the Walking with Jesus recording making sure the guys were ready to do recordings on their own and Anne spent time with Amy and I discussing our partnership. The three technicians in Tamale have already gone to Saboba to record a Walking With Jesus in Konkomba and two weeks after they return they will travel to Buipe to record a Walking With Jesus film in the Gonja language. These tools are very good for leading people to Christ and showing people how following Jesus will transform our lives.

Plans for more recordings of the Bible in different languages and Scripture Apps are also planned for the near future.

Thank you for making all of this possible!

FROM THE PRESIDENT:

Are Americans Becoming More Rude?

In 2011, Rasmussen Reports polled 1000 adults regarding words like "Please," and "Thank you." 76% of all those surveyed felt that Americans were becoming more rude and less civilized. (The margin of sampling error was + or - 3%.) Yikes. Are we forgetting our roots? Paul wrote, "In every thing give thanks: for this is the will of God in Christ Jesus concerning you (1 Thess. 5:18)." Jesus healed 10 lepers, but only 1 came back to thank him. Jesus' response? "Where are the other nine (Luke 17:17)?" Here at Team Expansion, we are intent on bucking the American trend. We want to live out biblical truths. And besides all that, we're also genuinely grateful! That's why, as President of Team Expansion, we'd like to say to you, our partners and friends, thank you for making possible our work by allowing God to work through you!
